## The Dogs' Day Out Scheme

Our Dogs' Day Out Scheme

enjoy a dog without a full  
time commitment.

Provides the Centre with

## How does the Scheme work?

Many people love dogs but due to their personal circumstances are unable to commit to owning one.

The Dogs' Day Out Scheme allows you to take a dog into your home for the day at a time that suits you.

- You will be doing an invaluable job as you will be able to provide the Centre with information about the dog in a home environment.
- On receipt of your application form we will visit your home and complete a questionnaire.
- You will then be invited to a short training session with our Dog Training and Behaviour Advisor.
- Dogs that are available for a day out will feature on our website. Once you have successfully joined our team you will be able to reserve a dog to take out.
- It is important that the dogs keep to a routine. Dogs can be collected after 9.00am and must be returned by 4.00pm in time for their tea.
- If you wish to become a member of our Dogs' Day Out Scheme please contact the Centre or fill out the interest form and we will send you an application form.
