

REFRESHMENTS

We all enjoy staying behind for a cup of tea and a biscuit. If you are able to make tea and coffee and resist eating all the biscuits yourself, perhaps you could help out here. We run a rota so please contact Christine Henderson on 01422 348527 or christinehend@o2.co.uk

On a Sunday evening we provide an evening snack for the ASC Y (All Saints Church Youth) so the ability to cook a pizza or hot dogs comes in handy too.

At All Saints' we believe that everyone is given gifts from God and we are all able to contribute to the growth and development of our Church. In fact we won't ever be the Church we should be unless everyone of us plays our part.

Here are some things you might like to consider... firstly join one of our small groups which meet in home for praise and worship and get to know a few other people.

Then think about where God is asking you to use your skills. Here are some you might consider, listed in no particular order.

WORSHIP

If you play an instrument or sing...we have some wonderful musicians and people who just love to praise and worship. The music group meets on Wednesday evening to practice and then various groups from the team lead different services on a Sunday. The team is lead by George Smith, so if you are interested in volunteering then contact

George george@mailme.co.uk 01422 365123

AUDIO VISUAL

If you are a dab hand at sound engineering or projection of visuals then we always welcome volunteers to support us in this area. Even if you are not already skilled in this area we would be really happy to train

you, this is a really important role, making sure everyone in the church can see and hear what is happening in the service.
