

### What have we been up to? CAP project in Todmorden

We have continued to run sessions with the football cage and Busoasis in Todmorden, working in collaboration with CMBC, WY police and Todmorden Youth Leaders, to deliver alcohol awareness. The numbers of young people engaged varied over the weeks, but we had chances to talk to several young people during the sessions in addition to creating good links with other organisations.

There were 9 sessions in total which have now finished.

### The Big Night Out at Lightwater Valley

For the last few years we have provided coach transport to the Big Night Out event at Lightwater Valley. Last year we had enough young people wanting to go to need 2 coaches, and this year we needed 3 coaches as we took 135 young people and leaders from 8 different Youth Groups across Calderdale. The young people that went on the trip said they had an amazing time and heard some fantastic

Christian music from the bands that played there.

### The Long March 2017

This year the route was back to the Marathon distance of 26.2 miles and our only walker was Bob Arnold who raised £365 before Gift Aid, completing the "undulating" route in around eight and a half hours.

**Vision Day** - On 12<sup>th</sup> April the trustees held a vision day where we looked at ways to fulfil our brief of taking good news relevantly to every young person in Calderdale. Watch out for news soon.

### Sizewell

Aged 16-21? Here's a great opportunity this summer at Sizewell Hall in Suffolk for a week of fun, games and getting to know God a bit better. This year the trip is 5<sup>th</sup> - 12<sup>th</sup> August - book online at <http://www.ventures.org.uk/venture-holidays/details/2778>

Last year a group of 34 young people aged from around the country spent a week at Sizewell Hall. The group included 2 young people and 3 leaders from Halifax, supported by YFC

Calderdale. Sizewell is an amazing opportunity to come together as a family, connecting with God and each other, whilst enjoying an amazing range of activities that you can have a go at, whatever your ability may be. It's also on open space to express your spirituality or discover it further.

Sizewell is a place that you can call home for a week. A place of sunshine and sea, where great friends for life are made. Activities included boating, late night cinema, banquet, disco, bowling, sea swimming, volleyball, rounders, unihoc, and many others too numerous to mention as well as daily bible study, teaching and worship sessions. This year's holiday was a fantastic experience for all those who went. Photos can be
