

# Experiencing God's Love

Experiencing God's Love is a short five-week study that aims to deepen our understanding and first-hand experience of living a life of faith.

It has been chosen to complement the Generosity week that is being promoted by the church 26<sup>th</sup> September – 3<sup>rd</sup> October.

Generosity is at the heart of our faith. We believe in a generous God and our own generosity is a testament and hallmark of our faith in action. Every day we see generosity in our churches and Christian communities, reflecting the generous God we believe in.
