## 1. Introduction

The National Association of Licensed Paralegals (NALP) is an Awarding Organisation recognised by the Office of Qualifications and Examinations (Ofqual) to offer regulated qualifications in England and Northern Ireland respectively. We specialise in providing qualifications for persons working in or looking to work as a Paralegal.

NALP is also a training provider for NALP qualifications and also a professional association for those in the Paralegal profession.

## 2. Summary of the Qualifications Covered by this Specification

### 2.1. NALP Level 7 Diploma in Paralegal Practice

Our Level 7 Diploma in Paralegal Practice is designed to bridge the gap between an academic degree and the practical, procedural knowledge and skills necessary to be able to function effectively as a Career Paralegal.

### 2.2. Rules of Combination and Credit Values

All units of this qualification are mandatory in order for Learners to achieve the qualification. No credit values have been assigned to this qualification or the underlying units following the removal of this requirement in June 2016 by Ofqual.

## 3. Objectives of the Qualifications

This course is designed to bridge the gap between an academic degree and the practical, procedural knowledge and skills necessary to be able to function effectively as a Professional Paralegal Practitioner. A degree is an academic qualification, but a paralegal needs to also know procedural law and practice.

Please note that these qualifications are specifically written with English law at their base. These qualifications are therefore best suited to those who seek to practice in the UK or abroad where the system of law is based on the English Common Law.

Learners who successfully achieve NALP Level 7 Diploma in Paralegal Practice will gain a recognised and respected professional qualification which will aid progression in their paralegal career.

## 4. Entry Requirements

One of the following is required:

UK Graduates require either a qualifying Law Degree, such as LLB or BA LAW or have attained the Common Professional Exam (CPE) or the Graduate Diploma in Law (GDL) that has successfully been completed within the last 7 years. If a Learner has gained such a qualification more than 7 years ago, but has worked within the legal profession since that time, they should apply and their application will be considered on its own merit.

If you are a non UK law Graduate and have NOT studied the English Legal System as part of your Law Degree, you have the option of studying Part 1 of the Level 4 Diploma in Paralegal Studies: General Principles of Law before commencing this course.

**Please Note:** The NALP Level 7 Diploma in Paralegal Practice is only available in English. If your first language is not English then you must be able to provide evidence that your spoken and written command of the English Language is adequate for the qualification for which you have applied.

## 5. Recognition of Prior Learning (RPL)

NALP allows some exemptions for the Level 7 Diploma in Paralegal Practice up to a maximum of two units of study, for example where a Learner has successfully completed the Legal Practice Course (LPC). Applications for RPL will be assessed on a case by case basis. If a Learner wishes to apply for recognition of prior learning or experience, please email:

[admin@Nationalparalegals.co.uk](mailto:admin@Nationalparalegals.co.uk).

## 6. Progression for Learners

The Level 7 Diploma in Paralegal Practice is the highest professional qualification available for paralegals and will aid career progression.

## 7. Total Qualification Time

Guided Learning Hours (GLH) is defined by Ofqual as being “The activity of a Learner in being taught or instructed by – or otherwise participating in education or training under the Immediate Guidance or Supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training” and includes “ the activity of being assessed if the assessment takes place under the Immediate Guidance or Supervision of a lecturer, supervisor, tutor or other appropriate provider of education or training”.

## Level 7 Diploma in Paralegal Practice Qualification Specification

As the average Learner studying for the NALP Level 7 Diploma in Paralegal Practice will do so entirely via distance learning, there are no Guided Learning Hours which meet Ofqual's definition. All of the hours an average Learner will spend gaining a NALP Level 7 Diploma in Paralegal Practice will be from other, non-guided areas, such as self-study; completion of assignments for assessment purposes; and coursework.

The following table gives an indication of the Total Qualification Time (TQT) for each of the units underpinning the NALP Level 7 Diploma in Paralegal Practice. The TQT represents the total time an average Learner might spend studying for each unit, including the time they are likely to spend on the assignments for each unit.

Please note that Learners will also be expected to work through a short introduction to the qualification. The introduction is not assessed nor does it hold any credits however does impact on the total time an average Learner will take to complete the qualification. The Introduction has therefore been included in the following table:

Unit	Title	GLH	TQT
	Introduction	0	1
1	Civil Litigation	0	13
2	Criminal Practice	0	10
3	Matrimonial and Civil Partnership Disputes	0	9
4	Conveyancing	0	12
5	Succession	0	9
6	Corporate and Business Structures	0	9
	Total Qualification Time:	0	64

Considering the above, the total hours of study required by an average Learner for the Level 7 qualification is anticipated to be 64, however, it is worth noting that this is based on a Learner taking approximately 4 minutes to read and digest each page of the learning materials provided for each unit, plus the addition of 6 hours for each assignment to be completed for assessment. Please note that timings have been rounded to the nearest full hour. Learners may find that the actual time it takes them to complete the qualification to be more or less than the quoted total hours.

It should also be noted that, whilst there is no official guided learning, tutorial support is usually available from the training provider. Learners should request details of what is available from their provider.

## **8. Learning Materials and Support**

The NALP Level 7 Diploma in Paralegal Practice qualification is designed for Learners to study at their own pace on a distance-learning basis. Learners are provided with comprehensive course materials and assistance in interpreting materials either via email, phone or face to face. In addition, if they have any specific queries or concerns they are able to contact their training provider who will provide them with suitable support.

## **9. Assessment**

### **9.1. Assessment Methodology**

Assessment is continuous by assignment. Each unit is assessed by one written assignment for the learner to complete over a four- week period. Start dates for assignments will be set by the Centre in conjunction with the Learner's progress, or by the Learner themselves if they are doing the qualification by distance learning only.

### **9.2. Assessment Criteria**

There are 6 units of study. Learners are required to successfully complete one written assignment per unit which are designed to assess the Learner's skills, knowledge and understanding of legal issues.

Assignments will be assessed as either Pass, Merit or Distinction:

Pass: (Descriptive): A Pass grade will be awarded if a Learner has basically but fully covered all criteria indicated. This will be reflected in a mark of between 45% and 64%.

Merit: (Explanatory): A Merit grade will be awarded if a Learner has shown a higher degree of aptitude, has demonstrated a thorough understanding of the topic and has presented his/her findings in a clear and accurate manner. This will be reflected in a mark of between 65% and 79%.

Distinction: (Showing implications): A Distinction will be awarded if the student has shown a mastery of the subject matter and has dealt with the questions in a professional manner. Attention will be given to spelling, grammar, layout and style and to the actual presentation of the assignment in addition to the content. This will be reflected in a mark of between 80% and 100%.

### **9.3. Marking the Assessment**

All assessments are externally marked by NALP's independent examining team against a standard mark scheme. The examiners also carry out additional checks to ensure that the work submitted by the Learner is authentic and has been completed by that Learner.

If a Learner wishes to appeal against an assessment decision they should refer to our Appeals Policy which can be found on our website at:

[http://www.nationalparalegals.co.uk/nalp\\_policies\\_procedures](http://www.nationalparalegals.co.uk/nalp_policies_procedures)

#### **9.4. Reasonable Adjustments and Special Considerations**

All requests for reasonable adjustments must be received at the time of enrolment due to the assignment based assessment. These will then be considered by the examination team prior to the assignments being assessed.

Requests for special considerations must be made at least 24 hours prior to the deadline for submission of assignments by the learner. If a special consideration request is considered to be well founded, a new deadline for submission of the assignment will be set for the learner.

All requests for reasonable adjustments and special considerations will be considered in line with the NALP Reasonable Adjustments and Special Considerations Policy, a copy of which is available on the NALP website: <http://www.nalptraining.co.uk/reasonable-adjustments-and-special-considerations-policy>

### **10. Internal Verification and Moderation**

As all assessments are marked externally by NALP's independent examining team (i.e. the Centres do not mark their Learners' papers), an Internal Verification and Moderation Policy covering all assessment results has been put into place. This aims to ensure that all assessments have been marked in line with the standard mark scheme, members of the examining team are fully trained and that sufficient standardisation of results is undertaken.

A copy of the Internal Verification and Moderation Policy is available on the NALP website at: [http://www.nationalparalegals.co.uk/nalp\\_policies\\_procedures](http://www.nationalparalegals.co.uk/nalp_policies_procedures)

### **11. Award and Issuing of Results**

Once a learner has successfully completed all units and assignments, the qualification Certificates and transcripts will be issued within three weeks of completion. If a Learner fails to successfully complete all assignments, unit certificates will be issued for the individual units they have successfully attained.

Replacement certificates can be provided by completing the relevant form and paying the fee of £25. The form is available from the website and you can pay the fee via the website also: <http://www.nationalparalegals.co.uk/replacement-certificate-application-form>.
