

Sunny Side of the Street

Grab your coat and get your hat
Baby leave those troubles on a doorstep
Just direct your feet
To the sunny side of the street
Can't you hear that pitter-pat?
That happy tune is your step
Life can be so sweet
On the sunny side of the street

I used to walk in shade
With my blues on parade
But now I'm not afraid
Cos this Rover has crossed over
And if I ever had a cent
See I'd be rich like Rockefeller
With gold dust at my feet on the sunny side of the street

Repeat

Sweet Sue

Every star above knows the one I love
Sweet Sue, just you
And the moon on high knows the reason why
Sweet Sue, just you
No one else it seems, seems to share my dreams
Without you I don't know what I'd do
In this heart of mine, you live all the time
Sweet Sue, just you

Repeat

Just you, just you!

Honeysuckle Rose

Every honey bee fills with jealousy
When they see you out with me
I don't blame them

Cos goodness knows
Honeysuckle rose

When you're passing by
Flowers droop and sigh
And you're the reason why
Cos you're much sweeter
Goodness knows
Honeysuckle rose

I don't buy sugar
You just have to touch the cup
You're my sugar
Sweet
When you stir it up now

When I'm taking sips from those tasty lips
The honey fairly drips
You're confection
Goodness knows
Honeysuckle rose

Repeat

Shine on Harvest Moon

The night was mighty dark so you could hardly see
That moon refused to shine
Couple sitting underneath the willow tree
For love, they pined
Little May was kind 'fraid of darkness
So she said, "I guess I'll go"
Boy began to sigh
Looked up to the sky
Told the moon his little tale of woe

So shine on
Shine on harvest moon
Up in the sky
I ain't had had no lovin'

Since January, February, June or July
Snow time ain't no time to stay outdoors and spoon
So shine on
Shine on harvest moon
For me and my gal

Repeat

I Don't Want to Set the World on Fire

I don't want to set the world on fire
I just want to start a flame in your heart
In my heart I have but one desire
That one is you
No other will do

I've lost all ambition of worldly acclaim
I just wanna be the one you love
So with your admission that you feel the same
I'll have reached the goal I'm dreaming of

I don't want to set the world on fire
I just want to start a flame in your heart

Repeat

I'm Beginning to See the Light

I never cared much for moonlit skies
I never wink back at fireflies
Now that the stars are in your eyes
I'm beginning to see the light

I never went in for afterglow
Or candle light on the mistletoe
Now when you turn the lights down low
I'm beginning to see the light

Used to ramble through the dark
Shadow boxing in the park

Then you came and caused a spark
That's a four-alarm fire now

I've never made love by lantern shine
I never saw rainbows in my wine
Now that your lips are burning mine
I'm beginning to see the light

Repeat

I'm beginning to see the light
I'm beginning to see the light
