

Live Music Now Schools Covid-19 Safety Checklist

Please review [LMN Schools Guidance](#) and complete these questions below.

1. Is your venue a COVID-secure workplace? See <https://www.hse.gov.uk/coronavirus/working-safely/covid-secure.htm>
2. Please provide as an attachment your Covid-19 risk assessment.
3. Please provide as much information as possible on the location of the performance / workshops.
4. Will there be at least 2 metres distance between musician(s) and audience?
5. Can doors and windows be opened for ventilation?
6. What access route should musicians take to the location?
7. Is there a one-way system in use?
8. Is there a toilet musician(s) can easily access for hand washing & personal use?
9. Is the musician expected to wear a facemask whilst onsite?
10. Are there any restrictions on singing or what instruments performers can play?
11. Are you happy for participatory singing to take place following safety guidance (see LMN Guidelines)?
12. Which classes/bubble will musician(s) be working with?
13. How many children and young people will be present in each session?
14. How many staff will be present in each session?
15. Will staff be briefed beforehand to follow LMN School Sessions guidelines (eg safe use of instruments) and ensure social distancing is maintained between musician(s) and audience?
16. Are there any other Covid-secure precautions you are taking that we should know about? Eg use of screens, temperature checks
17. Please inform us of any confirmed cases of Covid-19 in your school currently and leading up to the day of the LMN visit.
18. Who is the staff contact on the day?
