

Music and Animals at Home

With Rosie Bowker and Henrietta Hill

Live Music Now

Welcome to 'Music and Animals' at home, an interactive Live Music Now concert for your whole family to enjoy and get involved with at home. Before starting the video, please find

- Toys, objects and pictures in your home which feature animals, have them in sight in the room - they'll be joining in too!
- Home percussion. Kitchen-ware, boxes, cake tins, tupperware, spoons. Anything that you can use safely to make a percussive sound. Have them nearby – you can pause the video to collect them and put them away when needed.

Bonus Tip How to make a homemade shaker.

Fill a small (plastic) bottle a quarter full with dried rice, pasta or beans. Don't forget to secure the top. You can experiment with the sound made by different dried foods.

Words for the song 'Old MacDonald Had a Farm'

Old MacDonald had a farm

E-I-E-I-O

And on his farm he had a cow

E-I-E-I-O

With a moo moo here

And a moo moo there

Here a moo, there a moo

Everywhere a moo moo

Old MacDonald had a farm

E-I-E-I-O

We will be singing about a horse, an owl and animals you can see in your house.

Pets are very welcome to join in the fun too!

You're ready for the video! We hope you, your family and animals enjoy the music and get involved, thank you for watching.
