Inaugurated

on 2010

The Porta Fira Hotel, inaugurated on February, 2010, is situated in L' Hospitalet, one of Barcelona's busiest business development areas. Located right across the Fira 2, Barcelona's International Fairgrounds, the hotel offers easy access to the city center and El Prat International Airport. Its unique design is a creation of the famous Japanese architect Toyo Ito and will certainly become in a near future, part of the Skyline of Barcelona. An imposing hotel that will offer an exquisite service suitable for all kinds of travelers: corporate individuals, city breaks, congress delegates
