Wednesday is our focus day for prayer; however we are free and blessed to be able to pray at any time. Fasting is encouraged at the discretion and leading of individual members.

The Five Aims

1. To bring women together.
2. To support the work, meetings and social functions through dynamic prayer and to drive the expansion of our ministry through the world.
3. To encourage our friends and families to join us at the meetings with the knowledge that they are welcomed and in a non-judgemental environment.
4. To come together through local, regional and national events to encourage prayer and worship; to grow and release our full potential to enjoy fellowship and life-changing experiences.
5. To be clothed in the full armour of God in His love, grace and compassion, and to gain fruit for God's purpose through these events.

*Out of the heart shall
flow rivers of living
water*

Our assurance: When two or three are gathered together
Jesus is in the midst.

Women of the Fellowship was born out of, and remains part of, the Full Gospel Businessmen in UK and Ireland. Supporting the wider FGB fellowship in prayer and ministry gives other women of all ages and backgrounds an opportunity to come together, make new friends and hear real-life experiences of how God is working to transform lives and families. For further details of this visit the website www.fgbuk.org.

You can read more about FGB in the introductory booklet 'Fulfil Your Destiny', and the best-selling paperback 'The Happiest People on Earth', which tells the remarkable story of how this worldwide move of Christians who would listen to God's calling began.

More information and literature is available from the Women of the Fellowship National Coordinator at wof@fgbuk.org , or through the National Office at office@fgbuk.org or via the on-line shop at the website www.fgbuk.org

Please join us in following our Lord, Jesus Christ.”

We are given many challenges in the course of our lives. Each situation can become an opportunity, designed by God, for us to grow in our faith and to reach out to others.

When women teach women, they encourage each other. We find rare treasures as, together, we learn how wonderful our God is, and how much He loves and cares for each of us. Please join us as we love, learn, and lean on the Lord, fully supporting the FGB vision from God for reaching men and women for Christ. Membership of the Women of the Fellowship is open to any woman who shares our vision and would like to become part of our team. There is no fee for joining but regular donations of any amount towards the effective administration and outreach work of the organisation would be really appreciated.

If your desire and passion is to go deeper and develop your personal relationship with the Lord Jesus, then we invite you to come and join with us.
